Change Password for accessing Library Service

Greetings from Central Library, MNIT Jaipur.

Your new Library account details are:

URL: mnit-koha.informindia.co.in
User: 2028 (user's own ID)
Password: mnitlibrary

Please change your password and keep it as confidential (non sharable), otherwise your Library Account may be Misused by other person or Blocked.

Path for changing password :
1. Login to OPAC using given above URL and Login credentials.
2. Click on 'Change my Password" tab.
3. Enter the Current Password and new password and click on Submit changes.

Usage of User ID and Password :
1. Users would be able to check their Library account and able to see the Circulation (Issue, return, renewal status)
2. It is clearly mentioned that Password of your Library Account is not to be shared with anyone

Please ignore the previous mail and use the new password for login to Opac.

For any assistance,users may contact at Circulation staff in the Central Library.
